

BRYAN SURE OF BIG PLURALITY

Preliminary Canvass of New York Encourages the Democratic Managers.

HITCHCOCK'S CARD INDEX BEVERAGE OF INDIANA SPEAKS IN SALT LAKE OCT. 10.

New York, Sept. 24.—State Chairman Conners made public today the figures of his preliminary canvass of the state, which, he said, show that Bryan will carry the state by 100,000 plurality. Mr. Conners said:

The reports received by me show that the Democrats will carry 31 out of 60 counties and that in Manhattan Mr. Bryan will receive 125,000 plurality and in Kings county he will receive 55,000 plurality, making 180,000 plurality for Greater New York. Taft will come down to the river with probably 50,000 plurality, and Bryan will carry the state by a clear 100,000. Lieutenant Governor Chanler, however, will have at least the same Democratic plurality in the city and will come down to the river with a plurality that will exceed that of Hughes.

CARD INDEX SYSTEM.

Hitchcock and Hayward Have Western States in Their Pockets.

Chicago, Sept. 24.—Returns from the first canvass of the far west made under the system inaugurated by Chairman Hitchcock and Secretary Hayward of the Republican national committee indicate, according to statements made at Republican headquarters today, that Washington, Oregon, California, Idaho, Wyoming and Colorado will be carried by Taft and Sherman.

The state chairman reporting to the national committee give estimates of the pluralities, but these were not made public by Chairman Hitchcock.

The returns from Montana are less encouraging and the predictions are that the contest there will be very close. The Nevada report is the only one that favors Bryan, and the Republican managers hope to turn the tide before election day.

Governor Cummins of Iowa visited headquarters today on his way home from the east. He said that Iowa is safe for Taft. He will join the Taft special at Clinton and journey with Taft across the state.

The itinerary of Senator Beveridge, which was completed today, includes stops at Helena, Mont., Oct. 3; Seattle, Oct. 5; San Francisco, Oct. 8; and Salt Lake, Oct. 10.

Chairman Hitchcock left today for New York, where he expects to remain for a week or more.

WEST VIRGINIA MUDDLE.

One Republican Ticket, but Scherr Crowd Will Not Support It.

Charleston, W. Va., Sept. 24.—The Lincoln Republican state Republican committee, which early this morning withdrew its state ticket from the gubernatorial contest in this state, held another meeting today at which it addressed a statement to the Republican voters of the state, giving reasons for the action taken.

They say that the fear that the Taft electoral ticket would be endangered with a Republican ticket in the field was the principal factor in making them draw their ticket.

The committee declined to endorse the candidacy of William E. Glasscock, newly chosen regular Republican gubernatorial candidate, alleging that his selection was made at the dictation of Senator Elkins.

Favors Bryan's Election.

Albany, N. Y., Sept. 24.—Ex-United States Senator David B. Hill today said to the Associated Press that there was no foundation whatever for the published statement that he had been offered the chairmanship of the state advisory committee, and that Mr. Bryan had urged him to accept. Mr. Hill said that while he had not been in politics since he retired in 1905, and proposed remaining out of politics, he was interested in the result of the election of the national and state Democratic tickets.

Has Nothing to Say.

Dublin, N. H., Sept. 24.—When the attention of former Secretary of the Interior Ethan Allen Hitchcock was called to the statement of Governor Haskell of Oklahoma, especially that part which stated that the Prairie Oil company received its franchise "from Roosevelt's secretary of the interior," he said:

"I am very familiar with the oil situation in Oklahoma, but I don't desire to comment upon it at this time. The former secretary said that properly to cover the situation would necessitate going into the matter in the fullest detail."

Will Take His Time.

Dayton, O., Sept. 24.—William J. Bryan will answer the letter of President Roosevelt, replying to his telegram in reference to charges against Governor Haskell's alleged interest in the Standard Oil company. He will not do so today, however.

The matter was discussed on the train by Mr. Bryan and those accompanying him. Mr. Bryan was unable to say when he would find time to write his answer, but he indicated that his reply would be made as speedily as he could do so.

J. Ellen In Harness.

New York, Sept. 24.—The Republican national committee announced today that a woman's department had been organized to aid in the campaign. Mrs. J. Ellen Foster has been placed in charge, and headquarters will be opened in the Marlborough Washington hotel. Daily meetings will be held throughout the campaign.

Sherman in New Jersey.

Camden, N. J., Sept. 24.—James S. Sherman was in this section of the state the greater part of today, meeting Republicans from all parts of New Jersey. Here Mr. Sherman briefly addressed the delegates to the first congressional district convention, which renominated Henry C. Loudenslager for his eighth term. At Mount Holly he made another speech.

Kern Hard at Work.

Baltimore, Sept. 24.—John W. Kern, the Democratic vice presidential nominee, having abandoned his intended visit to Washington today, because of the pressure of work in connection with the speaking campaign, passed the day writing in his hotel.

CROPS NEXT YEAR.

Opening and Drawing Sept. 28, '08, Oasis, Utah

This will be held at Oasis, Utah, Monday, Sept. 28, after the arrival of our "Oasis Daylight Special" train from Salt Lake. The drawing is under the supervision of the State Board of Land Commissioners. It is for the selection of land only; that is, the first number drawn entitles the party whose application bears the same number to first selection of any tract of land embraced in the Oasis Project; the second number drawn, to second selection, and so on.

THE PALMANT VALLEY is a deep delta deposit of exhaustless soil, level as a floor from east to west, with a slope of about 15 feet to the mile from north to south. A condition like this guarantees to you that the number you draw will enable you to select desirable land.

REGISTRATION

Registration is now in progress, and Thomas C. Callister, Secretary of the State Board of Land Commissioners, is at Oasis for the purpose of receiving applications and deposits for first payments required under the terms of the Carey Act.

THE WAY YOU PROCEED.

Make application on Form "A." This application is given a serial number, and this number is the one used in the drawing and serves to identify the applicant.

Enter into a contract with the Oasis Land & Irrigation Co. for the purchase of a perpetual water right, to be paid for in ten equal annual installments. If you cannot attend drawing personally, the Rules and Regulations of the State Board of Land Commissioners permit you to complete your filing by POWER OF ATTORNEY.

All necessary blanks mailed free upon request by the State Board of Land Commissioners or the Oasis Land & Irrigation Co., Salt Lake City, or Oasis, Utah.

PAYMENTS.

At time of making application deposit with State Board of Land Commissioners a certified check for 25 cents per acre for the land and one-tenth of the total cost of a perpetual water right (one share of water for each acre). The balance of the cost of perpetual water right is payable one-tenth each year, with 6 per cent interest on deferred payments. When you make final proof of balance of 25 cents per acre for the land is payable to the state.

BETTER THAN A SAVINGS BANK, AND YOU MAKE ALL THE PROFIT.

The liberal terms under which this land and water may be acquired should appeal equally to the man of moderate means and the capitalist. To the former it affords a safe depository for his savings and brings abundant profit; at the same time he is independent and has a home; to the latter it is the most profitable and safest investment.

THE MILLION-DOLLAR OASIS PROJECT.

This is the largest irrigation system in the state of Utah. It has the largest reservoir in the state, at Sevier bridge.

The Pahvant Valley is now a beautiful agricultural section of Utah and comprises the largest tract of arable land in the state—25,000 acres are under cultivation adjoining the lands embraced in the Oasis Project.

By means of our irrigation system we are reclaiming the high lands of the valley; in fact, we already possess the advantages of a finished country.

Five thriving towns, good schools, churches, stores, a bank, long distance telephone, telegraph, etc. On a transcontinental railroad, "The Salt Lake Route." Artesian wells of lithia water, 300 days of sunshine, and soil of the greatest fertility.

The largest crowds ever assembled in Utah for the purpose of buying land will be at Oasis on Sept. 28.
